Module three

At the end of this module you should be able to:

- **Recognise** the factors that increase a person's vulnerability to tooth decay and give ideas of how this could be reduced

Online training course now available;

Improving oral health for those in residential care. Level One

This course is suitable for anyone delivering or supporting personal care to service users. The course is available for two weeks from start date.

Tutor; Julie Stares

Time; approximately 75 minutes including completing online assessments and assignments

This course is presented in **three modules**; each module should take 20 – 30 minutes to complete. There will be a brief multiple-choice assessment and a short assignment at the end of each module. The modules can be completed individually; they do not have to all be completed at one time. The certificate will be awarded when all three modules are completed successfully.

The course should be used alongside the **Oral Health Handbook for carers**. This is available in PDF format for you to download. It is advised that each setting prints one hard copy of the handbook. A hard copy can be provided at an additional cost of £20 (including P&P). Each individual can then use this when they access the course. The PDF is included in the course. If you require hard copies these can be purchased separately.

Handouts for each module are included in the course. It is not essential to print these, but they may be printed if preferred.

Delegates will need to have a good broadband Internet connection to access this course. The course can be assessed at the workplace or at home. The course contains **audio and visual elements**, it is important to have your sound turned on. The course can be paused at any time.

Cost: £20 per delegate

Discounts available:

There are a limited number of **10 new course discounts of 50%** after which the following discounts will apply:

Block booking of 5 delegates; **10% discount**

Block booking 10 delegates; **15% discount**

Block booking 20 delegates; **20% discount**

Member of Hampshire Care Association, **10% discount.**
