

THE TRANQUILLITY RANGE OF LUXURY RISER RECLINER CHAIRS

“The Life Improvers”

(made by Joynson Holland for Willis & Gambier)

Brand New from Factory,

These rise & recliner chairs are the ideal choice for comfort, support and versatility. With an electric reclining mechanism, this armchair can be reclined backwards and forwards, allowing you to move the chair to whichever position is most comfortable for you.

made joyson holland who specialise in high quality powered chairs that feature a quality motor and mechanism system. The chairs feature a simplistic rise and recline system which reclines to a flat bed position to offer maximum comfort while sleeping, and tip forward to make sitting down and getting up as easy as possible. The chairs are seen as ‘life-improvers’ that provide independence for individuals who experience difficulty with mobility. They can offer the kind of peace of mind to the consumer, that only a company with a rich heritage such as Joynson Holland can do.
